luorotb-m-u- these two to three
bedroom villas feature 24/7 support staff,
key workers and recovery facilitators that
work with consumers to establish an
individual recovery plan

ccommodation nits
three sites in close proximity to the CRV's,
these two to three bedroom units feature
support staff, access to case management
and a housing support worker that work
with consumers to establish an individual
recovery plan

*"St Bart's was a lifeline for me,
offering options of alternative
accommodation when I needed it most"*

We base our services on a recovery and trauma informed practice. As the level of independence and confidence grows, consumers become ready to move into a long term accommodation.

SUPPORT

Access to regular meeting with a support team and referrals to external agencies.

ASSISTANCE

Exploring long term accommodation options and growing independence living skills

We provide advise and advocacy as well as access to external advocacy agencies

n
A HP coordinator that offers coaching and a group wellbeing program

REFERRALt

To appropriate health and community support agencies.

Who is Eligible for t&gP2td

Our ACH program caters to those who are over 50 years of age, 45+ for Aboriginal and Torres Strait Islander people. More specifically, if you fall into any of the following categories, we encourage you to contact us:

- Frail, low income, elderly, experiencing or at risk of homelessness, or living in insecure rented accommodation.
- Living in transient accommodation (renting, boarding/lodging, staying with others).
- In need of assistance to find permanent accommodation.
- Not fully independent due to social or health circumstances, including substance use or a transient lifestyle.
- Individuals staying within the South East Metropolitan area.
