

## MENTAL HEALTH SUPPORTED ACCOMMODATION PRE-REFERRAL SCREENING TOOL

**This tool is designed to support Referrer's in assessing whether St Bart's Mental Health Supported Accommodation are able to safely and effectively support the applicant.** However, completing this document with an indication of eligibility, is not a guarantee of a successful position into this Service.

**Instructions:**

**Section 1:** Complete Basic Eligibility Criteria. If any 'No' response in this section, basic eligibility criteria **has not** been met and St Bart's Mental Health Supported Services are not able to accommodate the applicant at this time.

**Section 2:** Complete only if Basic Eligibility has been met. If a 'No' response in this section, support needs eligibility **has not** been met.

**NOTE:** St Bart's Mental Health Supported Services are funded to provide 2 - 4 hours of accumulative daily support. Please consider alternative accommodations options until such time that support needs reduce and St Bart's Mental Health Supported Services can be reconsidered.

Accommodation Units (AU's) are staffed by a lone worker and is not staffed overnight, therefore careful consideration needs to be made before referring someone to this service.
