Helping those experiencing uncertainty or insecurity within the home when there is no other support network to lean on.

What is St Bart's Home Care?

Here at St Bart's we honor our commitment to stand firmly by your side.

We understand the sense of comfort that comes with staying in your own home for as long as possible, which is why our Home Care service is dedicated to helping you continue to live a fulfilled life whilst living independently in your home.

We also provide the ongoing support you need to remain an active participant in your community.

We welcome people from culturally and linguistically diverse backgrounds and will develop a personalised home care plan that meets your specific needs.

Our Home Care Services

Our extensive list of services covers all facets of everyday care and living requirements. We will discuss your needs and desires to find the perfect solution for you and adapt them as your needs change over time. We will work closely with your health care team ensuring your medical concerns are also met.

Our services include:

Domestic Support

- Cleaning
- Laundry
- Meal preparation and delivery
- Personal care
- Gardening

Community/Social

- Transport
- Shopping assistance
- Social support
- In-home respite

Health
